#### 4 To participants from other countries

Please arrange your arrival in Japan to fit with the flight schedule from Haneda to Hakodate.

Passengers on the last flight to Sapporo from Haneda (HND 18:50 -> Sapporo 20:40) or the last flight to Sapporo from Kansai International Airport (KIX 18:35 -> Sapporo 20:15) are requested to make their way to the venue by train and bus. An advance reservation is required for the bus.

## Returning to your own country

The program is scheduled to finish at 16:00 on June 12 (Thu.) so it may be difficult to get a flight back to your own country that day. In particular, many European departures are in the morning or around lunchtime so in most cases there will be no same-day connecting flight. You will need to stay overnight in Tokyo or Narita before your flight.
